Dear Film Arts Supporter:

Join us as a 20th Anniversary festival sponsor and get ready for your close up! We need your help to keep the arts vibrant and healthy in Muskogee by becoming a sponsor of the 20th Annual Bare Bones International Film & Music Festival. We will put you in front of thousands of patrons from near and far and circulate your logo and marketing materials throughout our database. A financial or an in-kind donation will garner you a place on our International website and give you a spotlight with all the associated goodwill that such a gesture generates.

SPONSORSHIPS ARE GOOD BUSINESS. The New Millennium poll reported "social responsibility is the number one factor that influences people's impressions of a company, even more than brand quality or business fundamentals."

As a sponsor of the Bare Bones International Film & Music Festival, you will be partnering with one of Oklahoma's premier arts and cultural events and one of the nations' most highly respected film festivals, will be gaining exposure to visitors and members of our community. Bare Bones was recently named in Moviemaker Magazine as one of the top 20 film festivals for the truly independent Filmmaker. Bare Bones is dubbed by filmmakers as the "friendliest Film Festival in the world", however, Bare Bones credits the Muskogee community for making friendliness just a part of being an 'Okie from Muskogee'.

Our festival audiences comprise an important demographic profile; Ages 18-80+, all income brackets, well educated consumers who support businesses that are committed to arts in their communities. Your support allows us to bring you the best feature and short films and filmmakers from around the globe and throughout the state to Muskogee for their world, U.S. or Oklahoma movie premiere. Screenwriters, Directors and producers often return to produce their movies in Northeastern Oklahoma due to the film-friendly climate of the Muskogee Chamber/Tourism and the Muskogee Development staff who all understand the economic impact of the low-budget filmmaker.

VISIBILITY-PROMOTION-HOSPITALITY

Our notable diverse profile of attendees makes us an optimum partner for reaching diverse populations who come together to share their enthusiasm for the art and business of moviemaking. Over the past 19 years, the festival has experienced a pattern of growth and quality in every aspect of it's operations; ticket sales, attendance, recognition and financial support from individual patrons, organizations and businesses.

To ensure a healthy future for Bare Bones International Film & Music Festival and for the arts in general, your donation supports year round programs like the Youth Filmmaker Summer Camp, Movie-Biz Career Days and a 'Script-a-movie' workshop that teaches the craft of screenwriting to youth.

ACCESS FOR THE UNDERSERVED

Your donation and advertisement dollars allows us to keep our ticket prices low and to offer FREE programming to the underserved, i.e. the elderly, the mentally & physically challenged and those who may not be able to afford to attend otherwise.

Thank you in advance for your support,
Sincerely,

ShIronbutterfly & Oscar Ray
